Woodland High School - Summer Academy Application

This summer we are proud to offer, for the first time, the **Woodland High School (WHS) Spring Board Academy (SBA)**. The University of California, Davis **Early Academic Opportunity Program** which is part of the Department of Undergraduate Admissions and **Woodland High School** will sponsor this exciting academy filled with engaging curriculum exposing students to the various options available beyond high school. We will offer this intensive Spring Board academy to select incoming 9th grade students. The goals of this summer academy are to:

1. Prepare students for high school English;
2. Ease the transition from middle to high school;
3. Enhance the college going culture at Woodland High School by exposing students' to college requirements and options;
4. Develop students' leadership skills.

The **Woodland High School SBA** prepares students to apply for college while providing them the opportunity to share in the University of California's tradition of excellence and diversity.

The SBA courses are chosen to reflect the needs of students and the unique resources of Yolo County. Every student in the SBA takes a challenging English course that prepares them for the 2017-2018 academic year. This academy also provides pre-college advising, youth and leadership development, and an **opportunity to visit a college campus**.

This challenging academic experience prepares students for success in high school and sets the foundation for success in college.

All students who complete and pass the academy will earn 5 high school elective credits
