# CHOOSE THE DIRECTION OF YOUR FUTURE.

## Make college a part of your plans after high school.

The UC Davis Early Academic Outreach Program (EAOP) can help you take the right steps to make college an option after high school. EAOP is a part of a bigger effort from the University of California (UC) to increase the number of students who are eligible to go to college. EAOP works with families, UC Davis, different schools and the surrounding community to provide support for student success.

UC Davis EAOP serves over 2,500 students in twelve school districts! And here's the best part: this program is FREE!

Once you enroll in the program, here's what will happen:

- EAOP will follow your progress through high school by meeting with you, reviewing your transcript twice a year, and helping you choose classes that will keep you on track to meet college eligibility requirements, whether you'd like to attend a UC, California State University (CSU), or other campus.
- EAOP will help you research your college choices, what you'd like to study, and career options.
- EAOP will give you information about how to pay for college through scholarships, grants, and loans.

- You will have the opportunity to visit college campuses and speak with college students to find out what they think about college.
- Your coordinator will help you complete your college applications and give you tips about how to write a strong personal statement.
- You may have the opportunity to attend special enrichment programs, such as math, writing, health profession academies, and programs to help you prepare and do well on two important college entrance exams: the SAT and ACT.
- You will get information about strategies on how to improve important skills that will be key to your success, such as time management.

UNIVERSITY OF CALIFORNIA, DAVIS
ACADEMIC PREPARATION PROGRAMS
Early Academic Outreach Program

Parent/Guardian Authorization

I, \_\_\_\_\_, parent or legal guardian of \_\_\_\_\_, a minor child, hereby give permission for my child to participate in Early Academic Outreach Program (EAOP) Activities and Projects conducted by the University of California at Davis. I understand that the primary objective of the program is to encourage students to enroll in college preparatory courses, to participate in Early Academic Outreach Program (EAOP) academic development services, and to become eligible for admission to the University of California. I also understand that such Activities may be available until he/she enrolls at a college or university campus.

Authorization

I hereby authorize Early Academic Outreach Program (EAOP) directors, staff, and their assistants to engage in the following:

- 1. To have access to, and to make and receive copies of, my child's academic school records through the completion of 12th grade. I understand that these records will be kept in strict confidence and will be used solely to: a) monitor my child's academic progress; and b) determine when academic support services are needed.
2. To have access to, and to make and receive copies of, my child's standardized test records, including tests taken under the auspices of the Educational Testing Service (ETS), through the completion of 12th grade. I understand that these records will be kept in strict confidence and will be used only for the purposes of assessing student performance and advising students and not for recruitment purposes.
3. To have access to, and to make and receive copies of, my child's academic school records and standardized test records contained in electronic databases and warehouses, including but not limited to the UC Gateways data warehouse, through the completion of 12th grade. I understand that these electronic records will be kept in strict confidence and will be used solely to: a) monitor my child's academic progress; and b) determine when academic support services are needed.
4. To disclose information from my child's academic school records to designated representatives of colleges and universities so that they may determine my child's eligibility for admission at their institutions, his/her need for special services and for general use in planning outreach and recruitment activities. These records will be maintained by the University of California consistent with the Federal Family Education Rights and Privacy Act of 1974, applicable state laws and University policies.
5. To allow my child to attend field trips to colleges and universities, sponsored and coordinated by the Early Academic Outreach Program (EAOP). I understand that my child will have adult supervision while on these field trips.
6. To reproduce any original materials submitted by, and any image of, participants in the Early Academic Outreach Program. I understand that participants' compositions or likenesses may be reproduced in part or in whole for the purpose of on-going program promotion and evaluation. I release the University of California of any obligation to compensate me, my children, or any party acting on my behalf, for the use of the above mentioned media.

I am the parent or legal guardian of the minor \_\_\_\_\_, and I am signing this Parent Authorization on behalf of said minor.
